## ZUCHTER BERK

Zuchter Berk Kosher is Toronto's premier kosher catering. We began as one of Toronto's first kosher restaurants. Over the years, we have grown to be a leading synagogue caterer with a long history of service par excellence to the Jewish community. We also excel in off-premise kosher catering, working in many of Toronto's finest venues. Our range is extraordinary — from intimate family dinners to simcha's of all sizes, including large community events serving more than 5,000 guests.
